# An Annotated Checklist of the Vascular Plants of Santa Cruz County, California

Written and produced by Randall Morgan & the Santa Cruz Flora Committee

THIS EASY-TO-USE CHECKLIST is the most thorough inventory of the vascular flora of Santa Cruz County. Organized alphabetically by family, each listing includes scientific name, common name, nativity, legal status, and an indication whether the plant is among the county's rarest and most vulnerable species.

An introduction and detailed taxonomic notes by local botanist Randy Morgan are included, as well as appendices identifying invasive plants, listed species, and county endemics. Also featured are maps of the county's floristic regions, public lands, and sandhills habitat. The checklist is 76 pages long and has an index by genus.

Order yours now!

- Order online at [www.cnps.org/store/php](http://www.cnps.org/store/php). *CNPS now offers secure online ordering 24 hours a day!*
- Order by phone. Call **(916) 447-2677** between 9:00 A.M. and 4:00 P.M. Pacific Time.
